Greeting

Praise the name of the Lord.

Currently the Christian population in Japan does not even reach 1% even including the whole Protestants and Catholics.

In order to break through this situation and see revival both in Japan and the whole world, God founded Tokyo Prayer Center(TPC) in Ochanomizu, neighborhood of Tokyo in November 2011. Since then, God has led us to have “Midday Worship” as well as “Morning & Evening Prayer Meetings” everyday.

During each “Midday Worship”, pastors from all denominations as well as the lay believers shares a Bible message in turns day by day. In the past seven years there have been more than 500 different people, among which more than 100 have been women. And we are expecting that God will keep sending dozens of new messengers in succeeding years, too. We believe the altar in TPC exists for all the believers to be prepared for the revival in Japan and the world, which will not be far away in the future.

In addition, we have also held a “Prayer School” as well as “The Ochanomizu Morning Prayer Gathering”; all of which have helped to create a system of blessed prayer.

To go along with these activities, there are over 10 different local churches holding worship services, Bible studies, sign language classes, Christian hula classes, reading circles and counseling and through these activities we are seeing God's miracles everyday.

On the fifth anniversary of the ministry, God founded the second place of worship, the Omega Chapel, as well as continuing to use the original Alpha Chapel. We strongly feel that it was given as a place for pastors of all denominations to fellowship and pursue the revival.

Recently, there are growing concerns about serious shortfalls of pastors and missionaries in Japan in the near future. TPC is sending the bible messengers to local churches/ministries without a pastor when necessary.

Our hearts are filled with the expectation to see what God will do from this time on. TPC is not a church with a membership system, so people are free to attend as they please. We hope that everyone will at least come once to visit the TPC. And when you do visit we hope that you will be filled with joy and thanksgiving, being able to serve God in your life of faith more than ever before.
